

## 10 GIFTS YOU WANT (and HOW TO GET THEM)

**JOERG DRESSLER, LANDSCAPES**

Not all landscapes are created equal—in nature or on canvas. With an unexpected and breathtaking color palette, Joerg Dressler brings landscapes to life in ways that make you reconsider nature. His abstracts are, as you'd expect, equally compelling. His credits include numerous juried exhibitions, as well as a master of arts degree in visual communication from Hochschule für Gestaltung in Offenbach, Germany, and additional studies at Ecole Nationale Supérieure des Arts Décoratifs in Paris, France. His medium is oil on canvas and he is influenced by the impressionistic as well as expressionistic movements. Tell your gift buyer, nothing says "I love you" like a great work of art.
